

**PINE RIVER WATERSHED  
INITIATIVE NETWORK**  
*Sponsorship Program*

**Why **HELP** the  
Pine River Watershed?**

*The work done by the Pine River Watershed Initiative Network is needed to help restore the streams, rivers, and tributaries within our 156km<sup>2</sup> sized watershed before it gets to lake Huron. With larger scale work needed (like berms, exclusion fencing and bank restorations), and staff to support the projects, PRWIN needs the financial support of the community to help fund these projects. Grants are depleting and our project list keeps growing! By helping us, you will directly create a positive impact on your local environment and will be able to see it first hand, for decades!*

**PINE RIVER WATERSHED  
INITIATIVE NETWORK**  
*Sponsorship Program*

**We have done the following to implement our goal of “Clean water and a healthy ecosystem within the in Pine River watershed”**

*As of Spring/Summer 2015:*

- **242,550 Trees Planted**
- **250 Native Grass Plugs Planted**
- **18 Wind Breaks**
- **11 Berms Constructed**
- **7 Alternative Solar Powered Water Supply**
- **5 Cattle crossings**
- **4 Wetlands Developed**
- **3 Stream Bank Restorations**
- **Over 8 kilometres of Exclusion Fencing**
- **Education and outreach programs for local youth.**

*We need your help to continue!*
